

'ABHYUDAYA'

VISION

To groom young women into technically sound individuals with high ethical standards committed towards the vision of self reliance.

MISSION

M1: Imparting quality, employment oriented modern technical education.

M2: Inculcating the sprit of entrepreneurial professionalism.

M3: Remaining relevant to welfare of the nation and mankind.

INSIDE

- Prachar Prasar
- Expert Lectures
- Industrial Visit
- Fire Safety Mockdrill
- Mid term & Practical Examination
- Yoga Day
- Rojgar Mela
- Semester Examination
- Institute Inspection

PRINCIPAL'S MESSAGE

As we come to the closing edition of our first newsletter series "ABHYUDAYA" (session 2022-23), on introspection I have realized that this year has been phenomenal and extraordinary in every sense. It reminds me of a quote by Lenin "There are decades when nothing happens and there are weeks when decades happen." The structural and strategic changes that we have witnessed in education in the last one year have been remarkable. I would like to congratulate my GGP Almora family that has adapted to the changed work scenario in such an elegant way. Our journey towards a quality oriented education system has definitely yielded results that are depicted not just in numbers but also in the abstract parameters like confidence and overall personality development of the students.

Be it the new approach towards target based teaching and assessment pattern that goes in coherence with the need of the industry or "Mentoring System" or "The Feedback Mechanisms", the entire staff has really worked hard to make it operational. The zeal of the entire staff towards amelioration is really praiseworthy. I would like to extend my gratitude to Director Sir who visited our institute and enriched us with his experience and suggestions to perform better. We aim to start the new academic session with great enthusiasm and dedication to accomplish our vision of "Grooming young women into technically sound individuals with high ethical standards committed towards the vision of self reliance."

REKHA ASWAL

Campaign

To create awareness among the students of the nearby schools regarding the prospects of technical education and to facilitate the admission process, 'Prachar Prasar' campaign was carried out for admission to the session 2023-24. Members of the staff went to the nearby colleges and villages for admission campaign.

Expert Lecture

An Expert lecture on "Artificial Intelligence" under the aegis of ISTE student chapter was delivered by Director of "Nextech Solution Almora" Mr. Girish Pant on 18 May 2023. He threw light on the prospects of Artificial Intelligence in our day to day life and the perfection towards which we are leading using Artificial Intelligence apps. He also drew attention towards the negative aspects of overuse of AI, that lead to the depletion of human skills.

Industrial Visit

CSE/IT/Electronics Engineering First Year, MOM&SP First/Second Year and CSE/IT/Electronics Engineering Second Year were taken to 'HIMADRI HANS HANDLOOM' PRODUCTION UNIT, ALMORA on 23-05-2023 to 24-05-2023. It was an enriching visit for the students. Girls were really inspired by the dedication of the women handloom workers who have set an example of self reliance.

Students of final year of CSE/IT/ELECTRONICS Engineering visited BSNL ALMORA on 20-05-2023.

Fire safety Mockdrill

Fire Safety Mock Drill was conducted on 22-05-2023 in the institute by the students under the supervision of institute security in-charge. Students learnt how to operate the fire fighting equipments.

Examinations

To assess the teaching learning process, following examination were conducted in the institute-

- Mid Term Examinations were conducted in the institute from 25 May 2023
- Practical Examinations started from 1st June 2023.
- Semester examination commenced from 7 June 2023 to 1 July 2023.

Yoga Training

Yoga training was organized by Almora Patanjali Yogapeeth on 2nd June 2023. A team from Patanjali Yogpeeth trained the students in yogic exercises and encouraged the students to practice meditation.

Farewell

Farewell party was organized on 3 June 2023 for the Final Year Students.

Jeep Entrance Exam 2023

Jeep Entrance examination 2023 was conducted on 18 June 2023 in the institute.

Niyukti Patra Vitran Samaroh

Students participated online in the "Rozgar Niyukti Patra Vitran Samaroh" on 5 June 2023. All the students who got placement through the Rozgar Mela organised at Government Polytechnic Pitthuwala Dehradun were given appointment letters by the hon'ble Chief Minister Mr. Pushkar Singh Dhami ji.

Institute Inspection

On 20 June 2023 Laboratories, Under Construction Quarters, Office of the institute were inspected by him. The Annual Institute Magazine was released by Director Sir.

The suggestions/directives given by Director sir are now being implemented in a phased manner.

1. Maintenance work in Hostel such as replacement of aluminium wires by copper wires, construction of false ceiling etc has been planned as per the direction of Director sir.

2. An action plan has been formulated for proper conduction of practicals in the institute.

On 19 June 2023 all three hostels were inspected by Director Sir, Mr R P Gupta ji. He interacted with the students and discussed about their problems.
