Vision

To groom young women into technically sound individuals with high ethical standards committed towards the vision of self reliance

Mission

- M1: Imparting quality, employment oriented modern technical education.
- M2: Inculcating the spirit of entrepreneurial professionalism.
- M3: Remaining relevant to welfare of the nation and mankind.

Principal's Message

I extend warm welcome to all my students and heartiest greetings to all the stakeholders into the new Academic Year 2023-24. The initial three month period has really been enthusiastic. Be it the thump of dancer's feet or the applause from the audience, the perfect showcase of overall personality during Fresher's Party, it seems that enthusiasm is permeating manifold in the atmosphere of the institute. In the present scenario when on one hand we have reached south pole of the moon there is still a darker side of humanity but with a ray of hope. This year's Noble peace prize has been awarded to the Iranian activist "Narges Mohammadi" for her relentless fight against oppression of women in Iran. The Noble Peace prize having been conferred to a woman strongly vociferates the views of a famous Hollywood actress Angelina Jolie, that "There is no greater pillar of stability than a strong, free and educated woman".

We at GGP Almora aim to nurture and groom our girls into such educated, skilled, confident young women who have the courage to stand up for the social cause and are committed to serve humanity. We are proud and pleased to announce that our students have bagged first position in Computer Science and Engineering stream in the board examination for the third year in a row.

Hope, my outstanding, exceptionally talented and qualified group of dedicated staff with the inquisitive, hardworking and perseverant students shall yield more such results in this academic year that makes them excel not just in numbers but also in the abstract parameters of humanity.

Happy Reading!

Rekha Aswal

Continuing with our constant drive towards betterment, the academic year started with the resolutions and commitments to provide an excellent teaching and learning platform to all the students. The teaching staff reported back in the institute on 02/08/2023 after summer vacations while the classes started from 07/08/2023. The academic year started with a meeting in which probable lacunae in the functioning of the institute, be it academics, hostel, mess, or extracurricular activities and suggestions to fill the gaps in functioning were invited from the staff members for the betterment of the institute. The Principal emphasized on the three-fold strategy for the academic year 2023-24

1. ADMISSION We aimed at a fairly good number of admissions to the different branches running in our institute. A core committee was formed that looked into the admission process. Its functions ranging from visits to the local intermediate schools to the use of social media for bringing into light the branches running in our institute and prospects of enrolling under these diploma programmes.

2. CHILD CENTERED APPROACH It was emphasized by The Principal that once a girl gets admission to GGP Almora it is the duty of the teachers, who are also mentors to these students, to adjust and tailor the activities according to each child's unique academic or psychological needs. Emphasis was laid on imparting sound practical knowledge to the students.

3. PLACEMENT Being a technical institute that is adorned with the state-of-the-art laboratories, equipments and above all, highly experienced, dedicated and dynamic staff, the placement cell was assigned with the most important task to approach maximum number of reputed companies for 'on campus placements'. We aim at achieving 100% placement of our students.

SESSION 2023-24

We had 75 admissions in the first year and 06 in lateral entry this year which is quite good a number for us. The students were given options of either staying in college hostels or staying off campus. We were happy to find that 50 out of 75 students opted for hostels, most of the non-hostellers being residents of Almora. It is really commendable on the part of the hostel wardens and other responsible staff of our three hostels "Siddhidatri", "Shailputri", and "Vindhyavasini" who keenly look into the proper functioning of the hostels, be it any personal problem of the girls or regular repair and maintenance of the hostels.

Hostel Meeting

Meeting of all the hostellers (New and old) was conducted by the hostel wardens. The newcomers were introduced to the rules and regulations of the hostels and the seniors were instructed to help and guide them whenever required. It was decided to refurbish hostel rooms. Allotment of the hostel rooms on the basis of choice of students was done. Menu of the the food served was discussed. The preventive measures that the institute has undertaken with regard to ragging activities were shared with students.

Students Induction Programme

To introduce the newly enrolled students to the institute 'Student Induction Programme' was organised on 9 August 2023. The students were primarily acquainted with different departments ,rules and regulations, examination pattern ,extra curricular and co-curricular activities and the Vision & Mission of the institute. It was followed by visit to all departments and laboratories of the institute.

National Sports Day

National Sports Day is celebrated in India To commemorate the birth anniversary of hockey legend Major Dhayan Chand .This year keeping in line with the theme of National Sports Day 2023-"Sports are an enabler to an inclusive and fit society".All the students of GGP Almora were encouraged to participate in some kind of sports for a sound physical and mental well being. A series of events were conducted in the institute on May 29 August 2023 that included Lemon Race, Walk , Cricket, Carrom, Chess and Kho-Kho.

Amrit Vatika

75 plants were planted in the premises of 'Ulka Devi Mandir 'Sail Village, Almora on 9 August 2023 along with Gram Sabha & Gram Panchayat members to create Amrit Vatika under the 'Meri Mati Mera Desh' programme launched by Honorable Prime Minister Mr Narendra Modi ji. Shri Pradeep Tiwari ji, nephew of Late Shri Pitamber Tiwari ji, freedom fighter, was invited to the programme "Mati Ko Naman ,Veeron Ka Vandan " and felicitated.

Result 2022-23

| Branch | Enrolled | Passed | Pass Percentage |
|--------------------------------|----------|--------|-----------------|
| Computer Science & Engineering | 20 | 20 | 100% |
| Information Technology | 7 | 7 | 100% |
| Electronics Engineering | 9 | 9 | 100% |
| MOM&SP | 15 | 15 | 100% |

Placement 2022-23

These reputed companies visited our Institute for session 2022-23.

Independence Day celebration

77th Independence Day was celebrated in the institute with great fervor and enthusiasm. Flag hoisting was followed by cultural programme and speeches by the staff members. Keeping in coherence with the theme for this year's celebration "Nation First, Always First", the sacrifice of various freedom fighters & social servants were acknowledged in the Independence Day speeches delivered by the staff members & students.

Road Safety program

Road safety cum Awareness Drive was launched by Traffic Police Department Almora. ARTO Mr Akhilesh Chauhan, Senior Judge Ms Sachi Sharma and Traffic Sub Inspector Mr Ayub Ali shared important information regarding road safety rules. He also informed the students about various kinds of challans. Senior Judge Ms Sachi Sharma acquainted the students with women rights and motivated them. The programme was wound up with Quiz Competition on Traffic & Road Rules.

Teacher's Day

Teacher's Day was celebrated in the institute with the great pomp and grandeur. The students presented a beautiful programme to mark the occasion. Tribute was paid to Dr Sarvapalli Radhakrishnan.

Engineer's Day

Engineer's Day was celebrated in the institute on 15 September 2023. Commemorative speeches were delivered by the students & teachers to pay tribute to Sir Mokshagundam Visvesvaraya. A play was performed by the students to throw light on the lives of engineers.

Vishwakarma Puja

Our Institute celebrated September 17 as Vishwakarma Puja to pay obeisance to Lord Vishwakarma, regarded as the GOD of architecture and engineering. It was a resolution time for students and faculty to dedicate themselves to the cause of advancement of technology and gain divine inspiration for creating novel products.

Cyber Security Workshop

'Cyber Security Awareness Training 2023' was organised by Slog Solutions Pvt Ltd. on 15 September 2023. It was an enriching session for the students as they were cautioned about various cyber crimes. Links were shared with the students where complaints can be lodged in case of malicious attacks. 'Certificate of Participation' was given to the participants.

Fresher's Party

Fresher's Party was organized for the students of first year on 20/09/23. Right from the beautiful decoration to a warm and affectionate welcome that was given to the fresher's , everything was done wholeheartedly by the senior students of the institute .There was a series of events including Paper Dance, Ramp Walk ,Dance ,Introduction by the fresher's followed by tasks to be performed and Questionnaire round.It must have definitely instilled among the newcomers a sense of belongingness for the institute and faith in their seniors .Ms Saniya ,CSE 1st semester declared Miss Fresher 2023 and Ms Ms Jyoti ,CSE 1st semester bagged the runner up award.

NSS Foundation Day

Inter house Dance Competition was organised on 24 September 2023 to celebrate NSS Foundation Day. Dance competition was organised under the two themes

1. Uttarakhand folk dances and
2. Folk dances of India

There were two groups from the houses Ellora , Ajanta, Nalanda and Takshila.Ellora house bagged 1st position in Uttarakhand Folk Dance competition while Takshila house secured 2nd position. In the theme, Folk Dance of India, Nalanda House was winner while Ajanta House bagged 2nd position.

Construction Work

Construction work of the quarters under the “Missing Link Scheme” was restarted after 12 years and is near the completion stage.

Maintenance Work

Keeping in compliance with the electrical safety norms, the Aluminium wires in the hostel are being replaced by copper wires. Window mosquito nets are being installed in all the hostels while false ceiling has been installed in the Siddhidatri hostel. Invertors have been installed in all the three hostels. Individual bed boxes are being made for the students of all hostel.
